

If you are interested in joining Newbury Athletic Club (NAC), please make contact with us through our website (<http://www.newburyac.org.uk/>) (specifically the **Club Info** or the **Contact Us** links on the blue bar across the top of the main page) and find out when and where the appropriate training sessions are being held. You are welcome to come along and join in with one of the many training sessions we offer. We welcome athletes of all abilities and disciplines; sprinters, middle distance runners, throwers and jumpers. And we offer coaching specialists for all of these disciplines.

The club's Junior athlete section is for children aged between 9-14 years of age. A strong emphasis is placed on athletics for enjoyment, fitness and improvement. Junior athlete participation in competitions in sports-hall, cross-country and track & field is encouraged and junior athletes who are keen and motivated will get the opportunity to train with our best club coaches.

Newbury Athletic Club enters teams of all ages in the Wessex Young Athletes league, the Southern Athletic & Southern Counties Veterans track & field leagues and in the Oxford Mail Cross-country league. Our athletes also take part – often very successfully – in County, Regional and National Championships.

Both Senior and Junior athletes are welcome to train with Newbury Athletic Club for a few weeks on a trial basis; after that we would ask you to formally join the club. Newbury Athletic Club uses an online membership system called Membermojo; this can be accessed through our club website (<http://www.newburyac.org.uk/about/how-to-join>) under **How to Join** in the **Club Info** section. The online registration process is simple and intuitive to complete. Once the club has approved your application you will be able to log back into the application area and pay the appropriate subscriptions. The fees for 2018 are on the following page.

Newbury Athletic Club Membership Fees for 2018
